CIVIL WAR OR THE EVIL FORCES OF CHAOS

Every morning when I rise
it becomes clearer and
clearer to me and to
many other people. The
Forces of Chaos cannot
be the right way of
belief. What they are
doing is wrong and evil. It
will bring our country to
a downfall. Their actions
are destroying the faith
of the citizens in leaders
and leadership. Something
must be done. There must
be a way to end this
Civil War. Thousands and
thousands of brave
followers have been
victimized and sacrificed
by the powers of Chaos.
And thousands more are
to follow if this war
doth not come to an end
soon. Someone must be
there to help our people
and protect them from
the unbridled Tolerance
and Anarchy of THOSE
people, that were the
root cause of this war.
There must be a way,
there must be....
